

March 2018

Special Notes

Homework Rooms:

Please keep in mind that since we aim to help all members achieve their best in school, we offer homework assistance.

We do not offer tutoring.

It is each member's responsibility to utilize our K-2 or 3-5 grade homework rooms, as well as to complete homework and ask for help in the Teen Room.

Spring Break:

March 26-30, we will be open 7:30am – 5:30pm.

Please note that this is a pre-pay and preregister week. \$5 per day per child or \$10 per day per family.

Each member will need to bring a lunch.

Safety Measures:

We will be implementing new safety measures and running safety drills. Thank you for your patience through your process.

TEENS!!!

**Teen Scene will be on March 16th. Please sign up so we know how many will be present at our Bring a Friend "Glow Night."

~Keystone Club has started work on their National Project! They are working on a documentary-type video that examines how society views and treats those with disabilities and diseases, especially those that you may not be able to "see," like autism.

Stay tuned to hear how their project is coming along, about fundraisers for the project, and how you might get involved.

What's Happening?

Boys & Girls Club Week

March 12-16, we will be celebrating National Boys & Girls Club Week. Each day, our programs and activities will focus on a certain theme of activities. Friday, we will wrap it all up with a day of fun and "Going Green."

Since St. Patrick's Day is on a Saturday, we will celebrate the holiday and offer other "green" related activities.

March Madness

Club members and even staff team members can pick a college team they think will go all the way in the NCAA tournament this year. The one who picked the winning team will win a prize. They can keep track of their team on our bracket wall.

Just Keep Walking

As we enter Spring though it may not be warm enough to always spend time outside and with a week off of school looming in the near distance, some members may have some pent up energy or looking for some extra exercise. Each Friday, we will have a staff monitor the walking track for members who want to see how far they can walk during that time.

What Happened?

~We had fun participating in the Olympics against ourselves and Clubs around the country. We wound up in 2nd place and earning a total of 633 points. Several members held a wall sit for over 40 minutes trying to earn us the top spot!!

~We hosted one of our biggest Annual Meetings at the Heart of the Community luncheon. Thanks again to all the individuals, businesses, and organizations that support us each year. Fulfilling our mission wouldn't be possible without support from the community.

~The basketball participants wrapped up their season. They will have an Awards Ceremony on March 1st to reward all their hard work.

Thanks!

~The directors and staff at the
Boys & Girls Club of Tipton County
