

# January 2019

## Things to Note:

~Basketball GAMES begin at 6pm Tuesday January 8th for Kindergarten to 2nd and Thursday January 10th for 3rd to 5th.

~Our Winter Weather policy is that when Tipton Community School Corporation closes for the day, the Club is closed. When Tipton Community School Corporation dismisses early for weather, the Club will be open early.

## A Look Ahead:

~The Girl Scouts will begin selling cookies on January 12th for \$5 a box.

~We will race back into our 21st CCLC programs. Last semester, our theme was football. This semester, we will be at "Race Speed to Succeed" with a Nascar theme.

~One new program this month is called "Mysteries and More." Members will complete activities that they will use later in the month to solve a mystery.

~STEM this month will include dough circuits and a n unlock the box challenge.

## What a Great December:

~The Original Youngsters did a wonderful job performing at the Club and the Tipton County Foundation.

~Kids4Kindness delivered ornaments and sang carols at Miller's Merry Manor.

~Torch Club raised money through several fundraisers to provide a full Christmas dinner to two families.

~We wrapped up our football-themed 21st CCLC semester. The 3rd grade won overall, but last month for our percent of improvement was 2nd grade. Good job, Packers!

Thanks from the Boys & Girls Club of Tipton County!
