

How to Register for BGC Membership (Annual Membership – August-July)

Boys & Girls Club of Tipton County uses an online registration system called TraxSolutions. Each family will need a Trax Online Account in order to register for any type of membership.

Returning Families:

* You should already have a Trax Online Account. You will need to use the email associated with the Head of Household, which would have been created during your original registration.

* If you forget your password, simply click Sign In on the main page, enter your known email, and click Forgot Password. The system will prompt a reset.

* If you forget the email associated with your Trax Online Account, please contact the Club (765-675-9362, opt 2, or brittnij@bgctipton.org).

*Once logged in, follow the prompts below to update/register your member(s).

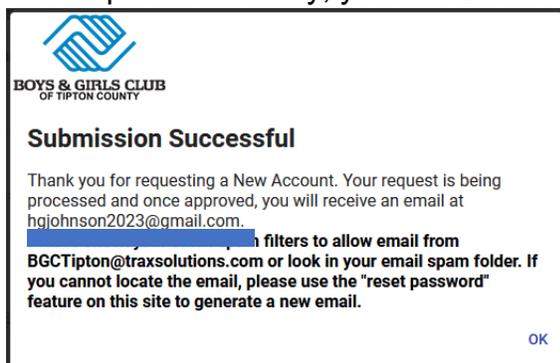

New Families:

1. You will need to create a Trax Online Account.

* On the online registration homepage, <https://online.traxsolutions.com/bgctc/main#/dashboard> click “create NEW ACCOUNT.”

* Follow the instructions to submit information for the account holder. The account holder should be the Primary Guardian or Head of Household.

* If completed correctly, you should see a pop-up like this...

* Check the email used for registration for a message from bgctipton@traxsolutions.com with the subject line “Welcome to Trax Online.”

* Click the link in the email to activate your account. KEEP YOUR PASSWORD, we do not have access to passwords. If you forget, you will have to go through the “Forgot Password”

process, which isn't a big deal, but will take time.

* Complete your Account Information. This includes ONLY the adults in your household. Questions with an asterisk (*) are required and must be filled in to submit the form.

* Once you are finished, click "COMPLETE." You will get a message saying "Success." Click "OK."

2. Add a Child to the Household

* In the "Account Members" section, click on the box that says, "ADD NEW PERSON."

* Fill out the information for the child registering for summer or afterschool programs and click "ADD NEW MEMBER."

3. Submit Registration for Summer or Afterschool Programs

* Click on "ACTIVITIES."

* Select the summer or afterschool program activity to which you want to submit a registration.

* Choose the child. A pop up will alert you that the activity is waitlisted and ask you if you want to continue. Click "Yes." (Please note that all registrations are automatically placed on a wait list for internal purposes. This does not change your child's enrollment status.)

* You will see the registration form in a cart. Click "NEXT."

* You will be prompted to submit information about the child. If you have participated in DHSP programs before, please make sure all the information is accurate and up to date. Once you are finished with the form, click "NEXT."

* You will return to your cart. Click "COMPLETE." You will see a screen that says "Completed." This completes your registration.

* You will receive a confirmation email from bgctipton@traxsolutions.com with the subject "Receipt." Please note that all registrations are automatically placed on a wait list for internal purposes. This does not change your child's enrollment status.
